Mr. Thomas F. McCaffery, Pres.
Albany Senators,
Hawkins Stadium,
Albany, N. Y.

Dear Sir:

Your telegram of July 1st received, in which you informed us that we could rent Hawkins Stadium for July 18th for a baseball game. Since then I have endeavored to secure the local team, as you suggested, to play a preliminary twilight game. I have just learned that the local team has disbanded. I am afraid the time is growing a little short and we would not have sufficient time to properly publicize the game.

When I come to Albany to play, I would like to have everything done properly so we would be assured of a good crowd. In view of everything concerned, I think we had better not close the date of July 18th, and next time I will have my attractions definitely signed up before I open negotiations with you for the Park.

I sincerely hope I have not caused you any inconvenience. If there has been any expense incurred for which I am responsible, I will take care of it.

Thanking you very much for your co-operation. I will make an effort to bring a good attraction to Albany very soon.

Very truly yours,
